Dear Parent/Carer,

We would like to remind you that we sent a letter from the Trust regarding our response to the Coronavirus outbreak. This letter is also available on our website in the letters section. We will be following this guidance carefully and there are additional links to the Trust website on our school website for additional guidance.

**If your child has a new cough or a temp (even a mild increase) the government's advice is to isolate for 7 days. Please leave a message via Groupcall or our attendance line if your child will be absent from school. When reporting your child absent please include your child's symptoms.**

To help us to focus on our core duties in school we are postponing assemblies and workshops. Therefore, class assemblies, Rock Steady Concert, Year 3 Easter concert and the maths parent's evening have been postponed. We will reschedule as many as we can and will let you know as soon as possible when this will be. We appreciate your support with this.

The year 5 trip to the Space Centre on Wednesday is currently going ahead.

We are waiting to hear whether the year 4 theatre trip will go ahead, we will update you as soon as we can.

Thanks so much to everyone who participated in our Science Week – it was wonderful seeing all our little scientists dressed up! We also loved having you with us for the science sessions.

Can we remind you that meals need to be ordered in advance, you have until Wednesday at midnight to order for the next week. This can be done online at [www.kingswoodcatering.co.uk](http://www.kingswoodcatering.co.uk). Kingswood Kitchen only brings in the food that has been ordered – so we really need you to ensure it is ordered in time.

Best wishes

Louise McGeachie and Kim Kirchin  
Principals

**Please see below for some upcoming events and dates for next term.**

**Friday 3rd April  
Monday 20<sup>th</sup> April**

**Close for Easter  
School reopens – no training day**
