Dear Parents and Carers.

The home learning has started!

Devices

We are awaiting additional devices to come from the DFE and we had ordered our own laptops in October to help out any families struggling with devices. (They are in the country apparently – so hope to have them soon).

If you need an additional device we do have a small number of I-pads that families can borrow until any laptops arrive.

Please let your child's class teacher know if you wish to borrow a device.

Internet Access

If you have no access to any internet we can apply for your data to increase. We need to confirm that you have no access to home broadband. The networks that can access the scheme.

Three
Smarty
Virgin Mobile
EE
Tesco Mobile
Sky Mobile

The information we need for this request is the below:

The name of the account holder
The number of the mobile device
The mobile network of that device (for example Three)

Any requests, please to myself by Monday 11th January

Additional Support

As we start a new year, we know that there may be families who are struggling with basic food etc.

If you need any additional help, please don't hesitate to contact me on:

lmcgeachie@studfalljunioracademy.org

We know these are worrying times, please do not hesitate to contact me regarding any questions or queries. We will keep you as up-to-date as much as possible and as quickly as we know.

Best wishes
