Dear Parents and Carers.

I know you are sick of hearing from me!! 😊

A reminder that all students can access their applications and documents through airhead using the following URL **gat.airhead.io**. They can log into this with their usual username and password. (If unsure ask the class teacher.)

This will allow them to work collaboratively and with ease without the need to download any applications at all. It has all the school APPs

Just wanted to give you some quick fixes for working at home if you have an X-box or a Play Station at home:

A quick trick allows a PlayStation or Xbox to become something more like a traditional PC – and people are sharing the fix as a way of getting around issues with getting online under the latest lockdown.

X-BOX

1. Plug a keyboard into the Xbox USB slot
2. Go to my games and apps
3. Find Microsoft Edge and select
4. Type in gat.airhead.io (login using their usual username and password)
5. You can then access all the Apps on there including:
Word
TEAMS
Emails
6. To move around you can use the Xbox control or plug in a mouse.

PlayStation

1. Identify the PlayStation internet browser icon (it is WWW with dots around it)
2. Press the PlayStation logo on the controller
3. Go to the library and find options for games and applications
4. Go into applications and you will find the internet browser
5. Type in gat.airgead.io (login using their usual username and password)
6. You can then access all the Apps on there including:
 - Word
 - TEAMS
 - Emails

Best wishes
