Newsletter 17

Tuesday 19th January 2021

Dear Parents and Carers.

We are very much at tipping point with requests for children to be in school. We currently have 121 children in, which is 26% of the school. Whilst I really want to help where we can, we can't keep the children and staff safe if we continue to add children on site.

We can definitely help in other ways:

- We have **laptops** that the children can borrow so that they can access the home-learning
- We have **hard copies** that can be collected from the main reception
- We can help with food etc..

If you require any help, please do not hesitate to contact me on:

lmcgeachie@studfalljunioracademy.org

Free School Meals/Vouchers

The government, from this week are providing vouchers to those families that qualify for Free School Meals, families need to be in receipt of certain benefits. This is the link to check if you qualify.

<https://www.northamptonshire.gov.uk/councilservices/children-families-education/schools-and-education/Pages/pupil-premium.aspx>

I believe if you are eligible for FSM you can also access the Company Shop.

Accessing Home Learning:

As well as school staff the Trust are happy to help with any IT issues. Their email address and a message is below:

Trust_IT@greenwoodacademies.org

The email is for support in use of the platform. We can guide on accessing the education portal (Airhead), getting into teams and accessing those areas provided by and supported by the IT Team, we also have a number of guides and videos that are available to support the use of the system. We can't support with external systems or subscriptions above the methods to access them through the education portal.

A reminder that all students can access their applications and documents through airhead using the following URL gat.airhead.io. They can log into this with their usual username and password. (If unsure ask the class teacher.)

There are some videos on this link that may help:

[Greenwood Academies Trust - Airhead for Parents](#)

This will allow them to work collaboratively and with ease without the need to download any applications at all. It has all the school APPs

Best wishes

Louise McGeachie
