Dear Parents/Carers,

On Friday 22th November, we will be holding a 'Super Hero' maths morning and the children can come into school dressed up in their favourite super hero outfit.

The morning will provide the children with an opportunity to explore a range of problem solving and reasoning activities, using their super hero powers to help them.

As part of the morning, we would like to invite you to join your child from 08:50 a.m. – 10:30 a.m. to share their mathematical knowledge, strategies and methods with you.

This is a wonderful opportunity to come into school and support your children's fantastic achievements. Please feel free to join in with the fun and bring your super hero cape along.

If you would like to attend, please complete and return the slip below to school by 15th November 2019.

Kind regards

Mrs G Murray

Maths Lead
