## Newsletter 19

Wednesday 4<sup>th</sup> May

Dear Parents/Carers,

Another busy few weeks at Studfall, lots of new dates added at the end of the letter.

### YEAR 6 SAT's

Year 6 sit their National assessments next week. They are very used to doing them, as they have been practicing previous papers throughout the year. There will be treats after each paper and then on Thursday, after the final paper, there will be the conga!!! 😊

Monday Grammar and Punctuation paper followed by the spelling paper

Tuesday Reading Paper

Wednesday Arithmetic followed by Maths Paper 2

Thursday Maths Paper 3

The government have very strict rules regarding when the papers are taken, if a child is off ill, we need to ensure they do the papers in order. We will make special arrangements to accommodate this.

### YEAR 6 PGL

There is a year 6 PGL meeting for parents of those children that have been allocated a place on Wednesday 18<sup>th</sup> May at 5pm. This isn't compulsory, it is just a chance to ask questions and find out a bit more about the trip. A kit list, medical forms and information about the activities will be shared.

### **Queen's Platinum Jubilee**

We will be having a Jubilee party on Thursday 26<sup>th</sup> May in the afternoon. Each year group will let you know nearer the time what food they can bring in. The children can come dressed in red, white and blue. There will be a school project in which every child will create part of a picture of the queen, that will go up with a plaque.

Similar to the Easter egg designs, the school council have suggested that children make anything, using any materials to celebrate the Queen's Jubilee. This could be a collage, a crown, drawing, poem, 3D model etc.... The children can bring their designs in by Thursday 26<sup>th</sup> May, the school council will decide the winner in each class and they will be rewarded in the Dojo award assembly on Friday 27<sup>th</sup> May

### **Reading Picnic and Superhero Maths Day**

We are hoping to have some special parent days, where parents can come in and share a reading and maths session with their child/children.

Reading Picnic Friday 20<sup>th</sup> May, Superhero Maths morning on Friday 10<sup>th</sup> June.

With this we are offering additional training for any parents who would like additional advice on supporting their child/children with reading and maths. If interested in taking part in either of the sessions with your child/children please complete the form below. You can also add yourself for the training session if you would like to.

**Please see some important dates below.**

Best wishes

Louise McGeachie

Principal

### **Upcoming Dates:**

Monday 9<sup>th</sup> May

KS2 – Year 6 SATs Week

Thursday May 19<sup>th</sup>

Greek day in Year 4
