Support for our Community

We have been made aware that a child called Sebastian is suffering from a rare childhood cancer – a neuroblastoma. There is a go fund me page beneath that families can make donations to and on Friday 10th Nov – children can wear orange if they wish to support Sebastian. We would ask that donations are made directly to the just giving page link beneath.

Also – very sadly a young lady called Hallie Mae Colquhoun passed away in a car crash recently . She was just about to open her own dance school. The family have now set up a foundation – the Ignite Foundation to support young people’s well-being and especially dancers. For Children in Need, we will be making a donation to this foundation from the cash that is brought directly into school.

Safeguarding

The week beginning 13th November is a very important week for us – it’s our Anti Bullying Week and E -Safety Week. During this week we will be working with the children to discuss what bullying is and what to do if it happens to them. Also – the E- Safety aspect is really important as our children are increasingly online and they need to know what to do to be safe. The theme for the week is – ‘Reach Out’. On Monday 13th November we will be asking children to wear odd socks to represent that we are all different and that this is a wonderful thing.

Children in Need

This is on Friday 17th November – children can come in dressed up – it can be a Pudsey theme or whatever they prefer 😊. Here is a link for parent pay to make a donation or we can take donations on the day.
