Happy New Year!

Hope you all had a lovely break.

ONLINE SAFETY

I urge all parents to check their children's safety online. We have had a serious case of grooming through Roadblox an online game – the police are involved. Please check any chats that your child may be involved in.

We will be doing more online safety work with the children but unfortunately, technology is so advanced, it is hard for us to keep our children safe all of the time.

There is more information on how to keep your child safe online through the link below:

Please see a list of dates below for the coming term

Please do not hesitate to contact any member of staff by email or Dojo

Best wishes
