STUDFALL JUNIOR ACADEMY

6th November 2025

Dear Parents/Carers,

Relationship, Health and Sex Education (RHSE) Consultation

From September 2021, Relationships, along with Health Education, became statutory, forming part of the National Curriculum. The DfE also continue to recommend that all primary schools should have a sex education programme tailored to the age and the physical and emotional maturity of the pupils. The statutory guidance can be found here: <https://www.gov.uk/government/publications/relationships-sex-and-health-education-guides-for-schools> The guidance focuses on healthy relationships and keeping children safe in the modern world. It also covers a range of topics relating to physical and mental health, wellbeing and safeguarding.

Learning about the emotional, social and physical aspects of growing up gives children the information and positive values to have safe and fulfilling relationships and help them take responsibility for their own wellbeing. We have reviewed our Relationships, Health and Sex Education (RHSE) policy and curriculum so we can be sure our provision is age appropriate and relevant for our pupils.

As part of implementing the RHSE curriculum, schools must regularly consult with the children, parents and staff to ensure there is a general consensus on our approaches to policy and the curriculum content. As part of the curriculum review, we would appreciate your views on the proposed policy. Our RHSE policy can be viewed here. <https://www.studfalljunioracademy.org/page/?title=PSHE&pid=125>

The consultation will run for 4 weeks. Your views are very important to us. Having read our policy, please provide us with any views or thoughts via email to admin@studfalljunioracademy.org

Thankyou for your support.

Lesley Lenton
